Mr Anindya Ghoshal,

On behalf of National Institute of Technology, Rourkela I must thank you for supplying us the STATISTICA DATA MINER software. I am also thankful to ATS TECSOFT SOLUTIONS for conducting the training programme on the above software at Computer Centre, NIT, Rourkela on 30th & 31st January 2010. The training was found to be beneficial and helpful for our students and research scholars. It was also appreciated by faculties of different branches who attended the training programme.

In the long run we hope this software and the training will motivate our researchers to use STATISTICA DATA MINER extensively in their research activities.
